

PRESENCE HEALING SESSIONS

I will be holding energy healing sessions based on a number of cutting-edge healing modalities. Each session can be tailored made for you. You may request the type of modality you desire or I can make a recommendation. I am continually updating my knowledge and skill base with training in various fields and modalities of healing. This is a partial listing of those modalities that I have trained in so that you can make an informed decision and not feel overwhelmed. If you do not see something that resonates, please talk with me to see if there is something else not presented that could help.

Description of Healing Modalities

Arcturian Healing Method is my own healing modality inspired by Higher Beings from the star system Arcturus as a form of divine healing. The purpose of this session is to center and balance any issue expressing itself on the physical, energetic, emotional, mental, or spiritual level. (1 hour)

Brain Balancing uses the latest energy healing methods and vibrational tools (radiesthesia) to balance and center the brain and specific brain structures. Examples of brain centers that can be balanced include the two brain hemispheres, amygdala (anxiety), prefrontal cortex (higher cognitive processes), and hippocampus (memory) to name a few (2 hours).

Quantum Healing Hypnosis Therapy® is a hypnosis therapy involving past life regression and contact with your Higher Self. This is best done for healing on whatever level is needed and answers to questions from the Higher Self. (3 hours)

The Reconnection® is best suited for people who want a quantum shift and acceleration forward in their life purpose. If you have never done the Reconnection, this is a place to start since I have found it to be effective for myself and clients in general. Highly recommended. 2 separate sessions, spaced a day apart, are required. (1 hour; 2 sessions)

Shamanic Healing is done for conditions that have a spiritual cause. This type of healing includes extraction, power animal retrieval, soul retrieval, divination, spirit influence, and soul conduction. (1 hour)

I have also trained in the following modalities: Access Bars®, VortexHealing®, Divine Energy Healing, Matrix Energetics®, Pranic Healing®, and Reconnective Healing®. Also available are sessions for clearing spaces such as houses, office buildings, and land energies.

Pricing:

\$200/hr for most sessions.

\$450 for Brain Balancing (2 hours)

The Reconnection is \$333 both sessions included.

\$600 for Quantum Healing Hypnosis (3 hours)

The above healing modalities are not meant to replace conventional medicine and advice from your personal physician. Gene Ang is not a medical doctor and makes no claims, promises or guarantees, and is neither diagnosing nor treating specific health issues or challenges. These modalities should be used in conjunction with regular medical care.
