

Turning Anger, Fear, & Frustration into Joy, Happiness, & Potential

Join us for an evening with Special Guest:

**Ray Rolando – Gifted Intuitive, Master Energy Healer,
Transformational Coach & Owner of “Oceans of Calm”**

"Ray's bright light can awaken your light and potential. I met Ray in Ireland at the Derek O'Neill workshop - Ray radiates light of truth and compassion and encourages the expression of YOU. I hope you can join us!" -Barbara

Wouldn't it be wonderful to know how to dispel anger, fear, and frustration?
Better yet, wouldn't it be incredible to turn them into a thing of the past and step
into a fuller, more empowered version of you while becoming happier, lighter,
and more vibrant in your everyday life?

Come with us on a journey to learn how!

On **Friday, August 9th**, Ray will share tools, techniques, and higher teachings
that show you how to turn your everyday living into a happy life and beautiful
journey of growth! Through inspirational music, meditation, teaching, sharing,

and laughing, this transformational encounter with the Divine will leave you speechless!

Utilizing his gifts, exhaustive training, and a natural sense of humor, Ray creates an environment that allows others to heal, expand, and shift their perspectives for positive growth. His class is based on the concept of embracing who you are and where you are in your life, with full acceptance, and an openness to let go of or transform anything that you believe no longer serves you. These workshops have also proven to be a great place to connect with others, laugh and enjoy life. There is always an ability to ask questions for a channeled/intuitive answer, or on-the-spot coaching, as well as opportunities to share with the group. A sacred space is created for this workshop to hold you in the highest vibrations of love and light.

Ray Rolando is a highly regarded spiritual advisor and teacher. He holds multiple professional certifications, both as an Energy Healing Practitioner and Teacher, as well as in the field of Neuro Linguistic Programming (NLP). Advising clients and co-facilitating their personal journeys, Ray becomes a witness to their powerful and, often times, life-changing transformations. Ray is regarded as a clear channel who moves Energy and opens hearts, and is sought after for his gifts of intuition, mystical insight, and depth of esoteric understanding. Ray has assisted hundreds of people all over the world with his abilities to “See the Unseen”, bringing light, laughter, and positive shift for all whom he serves.
