Join Sue and Barbara at The Angel Cooperative in Ridgefield, in the Shungite Room, for guided meditation and group energy reiki which opens the space for shifts and clearing. Each participant receives individual as well as group reiki from Sue and Barbara.

"When I walked in the Shungite Room I was immediately grounded, cleared and energized and knew Susan and I would do sessions in the Shungite Room."
~Barbara

Shungite is said to be around 2 billion years old. It is the only natural material known to contain fullerenes, a unique carbon molecular structure. A Nobel prize was awarded in 1996 for the discovery. The energy embodied within this extraordinarily positive ancient stone is said to help absorb and eliminate anything that is a health hazard to human life. It is believed to have active metaphysical properties with strong healing powers.
