The Liphe Balance Center Presents **White Buffalo Woman, Eve Kerwin**

Channeling and Healing: Small Group Session

Coming to us from Connecticut, Eve Kerwin is renowned throughout the country and the world as White Buffalo Woman. Although she remains humble and approachable, Eve carries the same Divine Feminine imprint as Mother Mary, Isis, Quan Yin, and Eve, the wife of Adam. She is an accomplished Shamanic Healer and Channel, bringing her clients profound messages of inspiration and guidance, working with each individual's spiritual, mental, emotional and physical bodies.

THE small group setting will allow everyone to experience a shamanic healing AND to receive a specific channeled message from the masters, guides, angels or messengers who speak through Eve. Past lives are also frequently described, and how they relate to your current life situation. These are not private sessions, but are conducted in a group setting, so that everyone can learn from the messages that are shared.

In 1991, Eve experienced a series of personal challenges, which prompted her inward search. During a period of deep meditation and intense drumming, the divine being White Buffalo Woman made her presence known, and has since guided and orchestrated her inspirational work for the benefit of humanity. In addition, Eve's spiritual gifts enable her to connect to the energies of the Archangels, exalted masters and guides, and at times to the Higher Self or Inner Child of the client.

In all cases, what is being offered is the opportunity for growth and transformation. The messages that come through Eve can help you gain an understanding of your soul's journey in relation to past lives, family, friends, spouses, co-workers or departed loved-ones. Eve offers assistance in understanding and overcoming your personal challenges and connecting to your true mission in life.
